Deposit	8/8/2016	46.61	4963.38
Withdrawal	8/8/2016	39.50	4923.88

## Business

**License Testing** - On Aug 6 Dane Tippman passed the Technician class exam and Gary Farhner passed the Extra Class exam. Congratulations! Exams are held on the first Saturday of each even numbered month at 9:00 AM at the Chetco Library Annex. The next 3 scheduled exams will be held on Oct 1, Dec 3 & Feb 4. Please contact Ron Rieg [rarieg@gmail.com](mailto:rarieg@gmail.com) for more information.

**Brookings EOC** - Several members gathered on Thursday to determine the best location for a 30' pole to support the inverted-V antenna. Next we will test the pole and antenna.

**Harbor Hills Repeater** - We are close to finishing the renovation and installation of the 19" rack so we can finish moving the repeater and painting the inside of the building. Thanks to James KF7KVP and Herb KG7NBR for all their hard work.

**PBARC Website** - Many thanks to Doug K7KY and Mindy W7ZAP. The [Pelican Bay ARC website](#) is alive and well.

**Icom IC-V80 HT** - The 3 part video presentation tonight by Randy Hall K7AGE will demonstrate the features and programming of the [IC-V80 HT](#). Available from dealers such as [DX Engineering](#) and [Ham Radio Outlet](#).

**Annual Corporate Meeting** - Loeb Park, 11:00 AM September 11, 2016. Coffee should be available by 9:00 AM for those who would like to arrive early. Hot dogs will be provided (and cooked). Bring a potluck dish if you can. Please contact a PBARC officer if you would like to discuss or recommend any changes to the corporation bylaws.

**Harbor Fire Station** - The club intends to install a VHF radio and antenna that can be tested on Monday nights during their weekly exercise. Once installed a PBARC member can volunteer to test the radio and become known to our local volunteer fire fighters.

**2nd Repeater Site** - We discussed testing simplex communications on 2m at Lou Costa's KI7DIX home on Gardener Ridge. More details to follow.

**Apparel Order** - Herb McKirgen has generously offered to organized another PBARC apparel order with Heidi Carter. Thank you Herb.

**Meeting closed at 7:32 PM**

Respectfully Submitted

Ron Rieg, Secretary

## **Presentation**

**K7AGE Videos on the IC-V80 HT** - Thank you Randy K7AGE for the informative and easy to follow videos "*How to get started on Ham Radio 2 Meter FM*". See [Part 1](#), [Part 2](#) and [Part 3](#). "Subscribe" to Randy's [YouTube channel](#) and give a "*thumbs up*" for these helpful videos.
